Rally Intro and Level 1 (Novice) classes will be offered. WCRL rules will be used except that there will be separate classes for Puppies (age 6 months to less than 12 months) and Veteran Dogs (age 9 years and over). Note that Intro Rally class is not a qualifying class for Versatility and Triathlon.

AGILITY TRIAL

Agility competition is open to Windsprites and Smooth Windsprites. Other dogs owned by Windsprite exhibitors or show volunteer workers may enter for exhibition only (FEO).

The following classes will be provided for Agility:

Standard Level 1 (= CPE level 1) – Puppy/Beginner, Regular, Veteran, Senior Veteran

Standard Level 3 (=CPE level 3/4/5) – Regular, Veteran, Senior Veteran

Veterans jump one jump height below their regular height and compete at their earned level. Senior Veterans may jump 2 jump heights below their regular height and may drop down to any lower level if they choose. A dog may enter any class FEO (no ribbons or placements). Note that the Puppy/Beginner class is not a qualifying class for Versatility and Triathlon.

STRAIGHT RACING

Competitive Racing is open only to Windsprites over 1 year of age who have 'Qualified To Race'.

Individual runs will be offered for Windsprites not eligible to race or who prefer to run alone. Other dogs owned by Windsprite Exhibitors or show volunteer workers may enter for exhibition only (FEO) as time allows.

Puppies may enter to do practice runs and can practice on Friday afternoon at Stone House Sighthounds, OR on Saturday in the fenced field at Get Rev'd, OR Sunday at the main meet.

Any hound that is First Time entered (FTE), or has only Disqualified, Did Not Finish, or Off Course on his racing record or was Disqualified at the previous meet must pass a qualifying run with or without other hounds before being entered in the Official Meet on Sunday, or must run as an individual at the competition on Sunday.

All dogs will be hand slipped. Muzzles and racing blankets will be worn. LGRA/AOK9 racing rules will be in effect. This meet will be held in conjunction with R.A.C.E./AOK9. Information and AOK9 registration application: <https://aok9racing.com>

Qualifying runs for competitions in the future and Individual runs will be held between programs and after the meet on Sunday. (Qualifying to Race Runs will also be available Friday afternoon at Stone House Sighthounds for any dogs who would like to race on Sunday.)

Windsprites entered in Regular competitive races will be eligible for points toward AOK9 titles, as well as "Q's" toward IWC titles.

Veterans will be divided in Veterans (9-<12) who race in 2 programs over full course and Senior Veterans (12+) who race one program over a shortened course.

All dogs must be registered with AOK9 for points toward AOK9 titles. For any dogs not pre-registered, IWC will submit the registrations to AOK9. AOK9 does NOT offer a Veterans program, so all Veteran races will be for IWC only. AOK9 registration is not necessary for veterans, puppies, or individual runners.

Note that Individual Runs do not qualify for Triathlon/Versatility: only success in the Competitive Racing will qualify for Triathlon/Versatility.

FUNDRAISER RAFFLE

At the show, we will raffle off several baskets/totes full of wonderful new dog and people-related goodies (content will be announced via email and FB). You can purchase a raffle ticket (s) day-of-show or in advance with your entry.

COST: 1 ticket \$1, 6 tickets for \$5, 15 tickets for \$10, 30 tickets for \$20.

Funds will be earmarked for health and rescue-related club expenses. An individual may win only one basket: if their name is drawn a subsequent time, another ticket will be drawn!

WHO IT BENEFITS: As anyone who has attended one of the recent IWC specialties knows, our raffle is one of the highlights of the show! Is it fun and can you win great stuff, yes! More importantly though, it raises money for our Health Fund, which allows the club to offer support for health and rescue-related club expenses. This benefits all of us, and well as these fabulous dogs that we love!

DONATING: As usual, we hope that everyone who participates in any IWC shows will donate something to a raffle each calendar year. A donation can be a single or multiple items, one or multiple complete baskets, or just cash! Items can be purchased new, be new but regifted, be hand made, and sometimes even be second hand (*see more about this and more in the "Raffle Tips and Tricks" section below!*) Every donation is appreciated! You may fill out a Raffle Donation form at any time, but we request that you **please fill out the form and complete your donation within a week of registering for a show!** Due to the size of our shows and the time it takes to organize the donations and prepare the beautiful baskets, we would like to be able to have this work completed BEFORE show day.

Raffle donations form: <https://form.jotform.com/240785141332148>

MEET THE RAFFLE COORDINATORS (RCs): The RCs will work together to ensure that an adequate number of raffle baskets will be ready for each show. RCs may reach out to solicit donations from those who have not yet filled out a donation form. They may also make contact to confirm donations in the final days and weeks before a show. They will happily advise and answer any raffle-related questions, so feel free to contact them!

Lead Raffle Coordinators for 2025 Shows

Larisa Hawley (larisa.hawley@gmail.com) - Mid-Atlantic Specialty, May
Cat Seifert (catherine.e.seifert@gmail.com) - New York Specialty, September
Sara Martin (smartafrica10@gmail.com) - New England Specialty, October

Perhaps the BEST new feature of the raffle is that ALL DONORS to the day's raffle will be automatically entered into the special "Donor Only Raffle" to win the DOR Prize (created by the fabulous Raffle Coordinators!) The winner will be drawn just prior to the drawing of the regular raffle. The very best news? Winning this prize does not preclude you from winning a regular raffle item!

There are three ways to donate, so you get to pick the one that works best for you!

1. **For creative people who enjoy a fun project...** donate a completed raffle basket to a show in your area. Deliver your neatly wrapped donation to the raffle table by 9am on Saturday morning of the show.

2. **For creative people who wish to contribute specific things but can't commit to making a complete basket...** you can ship your own handmade items or new items you wish to regift, or simply order things from vendors online and have them shipped directly to the raffle coordinator in charge of the show in your area. **Important note: Shipped items need to arrive at least a week before the show.**

3. For people who don't like to shop, or don't have time or space in their house, brain or car to even try to figure this out... make it super simple and buy directly from the Amazon Gift List for the show raffle to which you wish to donate, or donate cash to the club and the RCs will purchase items for you! **Important note: Shipped items need to arrive at least a week before the show. Monetary donations are due two weeks prior to the show.**

Raffle hints and tips from the pros!!!

****Basket values can range widely, but in general, a \$25 minimum value is requested.*

****Consider teaming up with a friend to create a basket together! It's much more fun to get creative when you do it with a friend. ;-)*

****Remember, you need not purchase all items. Regifting or rehoming any NEW dog related (or other) items is very much allowed here!*

****Creative, personalized items made or offered by other participants are often considered priceless and create quite a buzz! Original paintings, jewelry, food goodies, photography packages, printing or website consulting...the sky, and your imagination, are the limit!*

****Most items should be new, but occasionally, appropriate used items that are in excellent condition may also be included in your basket - these should generally **not** include things like used beds, coats or collars, but a gently used treat dispenser, high end crate, or rarely used show lead could be hot items! Check with a raffle coordinator prior to the show if you are unsure about whether a specific item would be appropriate.*

****Any baskets or other containers holding multiple items should be wrapped in an attractive cover that will keep grouped items together while allowing them to be seen without unwrapping. Raffle coordinators can wrap your basket at the event if you let them know in advance that this will be necessary!*
