

International Windsprite Club Performance Committee Charter

Background	Ensure that the performance events at each show are progressing as needed as far as new information and events are concerned
Mission and Objectives	• Ensure that performance events at shows are up to date and advancing • Beneficiaries of this committee are the participants of the IWC shows
Membership/ Structure	• Members are well versed in performance events, and ideally participate in performance events at various venues outside of the IWC • Members will hold the position until a vacancy is created or at the direction of the show committee or board. • Members should be well versed in a performance event such as agility, rally, racing or another new event yet to be introduced • At least one member will be a member of the Board of Directors
Roles and Responsibilities	• Keep the rules up to date for the shows • Ensure that performance events are in line with external venues as much as possible • Evaluate how changes in levels or addition of events will affect rules and/or scoring • Introduce new rules, events or levels to the board
Chair Responsibilities	• Meetings organized by the chair who will also create an agenda and take minutes unless delegated to other members as needed and appropriate • Will facilitate discussions in meetings • Will present committee report at the annual member meeting or designate a committee member to present this report
Meetings	• Will be ad hoc, semi-annual at minimum • Can be in person or held virtually as determined by the chair.
Communication	• Will communicate on a regular basis with the Show Committee • Decisions will be shared with the Show Committee and then sent to the Board of Directors for approval.
Budget and Resources	• This committee has no budget. The club will reimburse board-approved expenditures.
