

Junior Championship Official Evaluators

From Championship Titling Guidelines Revised May 11, 2025:

Junior Championship: A dog one year of age and under must accumulate 7 points to achieve its IWC Junior Championship. These points are based on the rating of each Championship Certificate (CC) awarded. A rating of 70-79.99 receives 1 point. A rating of 80-89.99 receives 2 points. A rating of 90-100 receives 3 points. One rating must come from the 90-100 range. One rating must be awarded when the dog is 8 months of age or older. One rating must be awarded by a judge in a show setting. The remainder of the ratings can be awarded by IWC approved evaluators in a non-show setting. CC ratings must be done by 3 different judges or evaluators.
