Conformation:

A separate conformation class will be offered for all dogs competing for the Versatility and/or Triathlon Award who have received a qualifying score in agility and/or rally/obedience (or who have yet to compete in agility and/or rally/obedience). This class will be divided into Regular (age 1 to less than 9 years) and Veteran (9 years and older). The show chairperson will decide if a different judge from that who judges the regular conformation event will judge this class. All Regular dogs will be brought into the ring together and gated. They then will be placed in ranked order from first place to last place. All Veteran dogs will be brought into the ring together and gated. They then will be placed in ranked order from first place to last place.

Agility:

Adult standard or games placements (whichever is higher for an individual dog) are used for triathlon/versatility scores. Classes will be offered for Regular and Veteran dogs. Ranks are determined by placements in Level and height in each class. A dog must have a qualifying score in order to be ranked. Dogs will be ranked separately in Regular and Veteran divisions. In Standard OR games, points will be awarded according to placement and level (scores for all heights will be combined). Only the best agility score will count. All dogs competing in:

- Level 3 will receive 1 point for first place, 2 points for second place, 3 points for third place, 4 points for fourth place, etc.
- Level 2 will receive 3 points for first place, 4 points for second place, 5 points for third place, 6 points for fourth place, etc.
- Level 1 will receive 5 points for first place, 6 points for second place, 7 points for third place, 8 points for fourth place, etc. If a dog qualifies in both Standard and Games on-half point will be deducted, thus improving the dog's ranking.

Rally scores:

(out of 100) will be converted to separate placements for Regular and Veteran dogs with the highest scoring Regular dog receiving first place and the highest scoring Veteran dog receiving first place. A dog must qualify in order to be ranked.

Straight Racing/Lure Coursing:

A dog must run in the Regular adult competition to be eligible to compete for the adult versatility and/or triathlon awards. A dog must run in Veteran competition to be eligible to compete for the veteran versatility and/or triathlon awards. Placements will be determined by the ranking of the dogs, with the highest scoring dog in each competition receiving first place. A dog must qualify in order to be ranked.
